Hi Stacey,

Thanks for all of the great info you sent me several weeks ago about past and current activities in the so called industrial triangle area. Since then, I've been asked by Deb to compile a summary of *current and planned* activities in the area. I gleaned a summary from the information you already provided but wanted to run it by you to confirm that I have captured it correctly. Could you please take a look at the attached and let me know. I'd like to get it to Deb in the next day or two if possible.

Thanks,  
Corbin
